## **Summary Statement of Relationship Parents, Students and Catholic Schools of the Diocese's Syracuse, New York**

Students attend the School at the School’s invitation, and not pursuant to any right possessed by a student or the student’s parent(s). Admission and continued enrollment at the School require students to behave consistent with the Code of Conduct, all of the School’s other rules and regulations, and in a manner befitting a student of a Catholic institution. These responsibilities exist both inside and outside of the classroom and during all school functions, and relative to any off-campus behavior that negatively affects the School’s operations or educational environment.

The following sets forth the nature, dynamics and character of the relationship<sup>9</sup>

between the School and its students and their parents. It will allow both students and parents to clearly understand their rights and obligations while attending the School and minimize the potential for misunderstanding in this regard. It is understood that by seeking enrollment in and attend the School, the applicant- student and his/her parents/guardians understand and agree to the following statements regarding the rights and obligations of students and parents, and this statement is an integral part of the School's enrollment contract.

To ensure a safe and appropriate educational environment, the student and his/her parents understand that students must obey the School's Code of Conduct, observe its rules and regulations, and perform the required academic work to result in appropriate academic progress while attending the School. It is also understood and agreed that the School's

To protect its standards of academics, discipline and character, the School reserves the right to require a student's withdrawal at any time, for any reason deemed sufficient in the sole discretion of the School's administrators. Through their application to and enrollment in the School, all students and their parents/guardians acknowledge, agree, and concede that the School has this right. Moreover, by a student's enrollment in the School, he/she and his/her parents acknowledge the important obligations and restrictions contained in the School's Parent-Student Handbook and agree to be bound by its terms.

Students attending the School and their parents understand and agree that they do not possess the same rights they might possess if attending a public school. For example, a student's freedom of speech is limited in many important respects at the School. Any speech, written or oral, that is contrary to the Roman Catholic faith, the teachings of the Church, the directives of the Bishop or Ordinary of the Diocese of Syracuse or contrary to the School's Code of Conduct are prohibited. Likewise, speech that is contrary or disruptive to the philosophy and purpose of the School is prohibited. Participating in prohibited speech at the School may be the basis for disciplinary action, up to and including suspension or expulsion.

Students also acknowledge and agree that School officials have the right to search their person or property if they reasonably believe that the student may have violated a School rule, the School's Code of Conduct, or the law and the search may . The School's students and their parents understand and agree that it is within the sole discretion of the School's administrators to determine whether such a reasonable belief exists. They further understand and agree that the School has the unfettered right to examine, search or inventory a student's desk, locker, or other space provided to the student for use at School. It is further understood and agreed that these areas may be searched by the School at any time and for any reason. Moreover, if the School permits on-campus parking, students and their parents understand and agree that the School has the unfettered right to search any automobile parked upon its premises. Students have no reasonable expectation of privacy relative to any of these areas (e.g., desks, hallway lockers, locker room lockers, automobiles parked on School grounds, etc.)

Additionally, it is understood and agreed by students, and/or their parents or guardians, that they waive and relinquish any right they may have to sue the School, any parish, the Diocese of Syracuse, and/or any individual acting on the half of the School, a parish or the Diocese, such as administrators, teachers, staff, volunteers or any of their agents relative to any matter directly or indirectly concerning academic or disciplinary decisions or matters covered within the Student

**Handbook. Each student and his or her parents or guardian, by their acceptance of enrollment at the School, agree they may not bring any civil action in any local state or federal court or in any administrative agency or body to challenge any school decision relative to academics or disciplinary matters, including any decision relating to the rules, regulations, procedures or programs covered within this handbook. Students and their parents or guardians agree that any challenge to any school academic or disciplinary action, any enrollment decision, any suspension or expulsion, or any decision relating to the rules, regulations, procedures or programs covered in the Student Handbook may only be challenged or appealed within the hierarchy of the School and/or Diocese, subject to the limitations and processes contained within the Student handbook.**

**While any students or parent or guardian of a student may consult with legal counsel relative to any decision made by the School or Diocese concerning the student, the School emphasizes and reiterates that students and parents or guardians are not permitted to have legal counsel present during any meetings or hearing or to otherwise participate in any disciplinary process or any other proceeding or process administered by the School or Diocese. It is understood and agreed that school administrators are not obligated to meet with attorneys or advocates of any sort, at any time.**

**The Student Handbook contains the School’s Code of Conduct and the parameters of student discipline. However, it should be noted that any listing of prohibited conduct in the Handbook is only by way of illustration and example, and it is not intended or expected to be an exhaustive or exclusive list of prohibited conduct or conduct that may result in disciplinary action. *Our School is pleased to welcome you to the School community and looks forward to your participation in its academics and activities.***

## **Family Covenant**

**The philosophy of the Holy Family School Catholic School community is to proclaim the Gospel message of Jesus, educate the total child, guide students in the love and service of God and others, fit the uniqueness of each student so that they grow in a nurturing and loving environment, and integrate Catholic virtues (love, faith, hope, courage, reconciliation, and justice) into the curriculum.**

**By registering your child(ren) at Holy Family School , parents/guardians become members of a school community — students, faculty, and staff — that recognizes its mission to build a Christ-like presence in our neighborhoods by instilling Christian values in our young men and women who will shape our future. This membership obligates all of us to share in the responsibilities for the education of Holy Family School children by agreeing to the following:**

- **We fully understand the importance of guiding our children's faith development, acting as a good Christian role model, actively participating in church membership, and attending weekly Mass or church services.**
- **We fully understand the importance of attending Parent Teacher Conferences at the teacher's request, cooperating with school staff,**

- and being present at other school events to support our child(ren).
- We understand the importance of reviewing our child(ren)'s homework daily.
  - We support and work with the staff to ensure a good learning environment.
  - We agree to consider volunteering for a specific event(s)/project(s) within the school year.

This covenant is designed to implement the blessings of the Church-Family-School relationship. A successful Catholic school relies on a partnership between parents and the school. There is an expectation that parents are active participants in the education of Holy Family School students. The Catholic school fosters a faithful atmosphere through the interaction of students, parents, teachers, and support staff.

## **Admissions ~ Application Process**

Holy Family School provides a tuition-based education. Tuition is set by the Catholic School Office and is subject to change from year to year. Parents must sign a tuition agreement as part of the application process.

Holy Family School currently offers programs for students in Nursery (3yrs. old), Pre-K 4, and Kindergarten through 6th grade. For application and registration information contact the school office (315-487-8515). Please note that in addition to completing an admissions application, a FACTS Tuition Payment Plan Form must also be completed. Students in Kindergarten through Grade 6 should also complete a FACTS Financial Aid form.

A non-refundable \$70.00 per child application fee per child is necessary to secure consideration of your child's placement in our school. We realize that tuition is a financial challenge for many of our families. This is why we offer the FACTS TUITION payment plan (\$50.00 annual fee per family), which divides tuition into equal payments over a set number of months.

All new applicants must submit the following information to school when registering:

**Birth Certificate**

**Baptismal Certificate**

**Record of immunization with corresponding dates**

**History of any medical illness, surgery, physical or speech handicap IEPs or 504 Plans**

As part of the school services being offered to incoming Kindergarten students, a developmental profile of each child will be prepared. This will enable teachers to identify in advance of your child's needs, thus providing a comprehensive school program.

**Initial Acceptance**

The initial acceptance of all students for their first year in the school is a conditional acceptance. This means that the student must meet both the academic and conduct standards of the school. Failure to do so may result in the

**student not being able to continue at the school.**

**For the most current information or application for admission information please contact the school's main office at: (315) 487-8515.**

---

### **Student Privacy**

**A request form for parents and legal guardians to examine their child's education records is available at the Main Office. The school requires at least 24 hours' notice for this request. Such records are kept confidential and may not be released or made available to persons other than parents/guardians or students (over 18 years old) without their written consent in certain circumstances. In this regard, the School generally follows the prescriptions of the Family Educational Rights and Privacy Act (20 USC § 1232g; 34 CFR Part 99) ("FERPA"). The Principal or another authorized person must be present when records are viewed to provide necessary interpretation.**

**The school generally and voluntarily abides by the provisions of FERPA regarding the rights of non-custodial parents. In the absence of an order from a court or other authorized agency to the contrary, Holy Family School will provide the non-custodial parent with access to academic records and other school-related information about the child. If there is a court order specifying that no information should be given, it is the custodial parent's responsibility to provide the School with an official copy of that order. Divorced or separated parents must file a court-certified copy of the custody section of their divorce or separation decree with the Principal's office. The school is not responsible to enforce or interpret custody and visitation orders, but will make reasonable efforts to help facilitate such orders, assuming it receives timely notice of such an order and its requirements.**

### **Personnel Access to Student Records**

**The following personnel have access to student records without the previously noted consent:**

- Professional personnel employed by the School, including independent contractors and their employees who provide services to the School**
  - School officials at an educational institution to which the student is transferring or seeking admission**
  - Authorized personnel of Diocesan or State Education Departments**
  - Those possessing a court order or subpoena, or in other circumstances in which distribution is permitted by FERPA without parental authorization.**
  - Individuals or entities to which a parent or guardian has authorized the School to release student education records.**

Half Day Students

Last Day of School

ROMAN CATHOLIC  
DIOCESE OF SYRACUSE  
CATHOLIC SCHOOLS

**School Hours:** Grades K-6: 8am - 2pm    Nursery and PreK: 8:30am-2:30pm

**Before School and Drop-off Procedures:** It is very important for all families to understand that there is no parking in our school parking lot between the times of 7:30 and 8 am at the beginning of our day, and between 1:30 and 2:45 pm. We have at least 11 buses dropping off and picking up our students. There is ample parking across the street in the larger parking lot of Holy Family Parish. We also have a Stop and Drop program for drop off at the end of the school building that has worked well for all. Cars will line up according to the signs on the street and pull up, one car at a time. When they move up to the final stop sign the child gets out of the car and goes to the end door, where a staff member meets them and lets them in. The student goes up the back stairs to their classroom.

Students, grades K-6, who ride the bus to school every day will be dropped off at our front entrance each day. At 1:50 pm each day we begin to call buses as they come into our parking lot.

**After School and Pick-up Procedures:** All students who are “walkers” will begin dismissal after all the buses have been dismissed. They with K, 1, and 2 being called first, followed by 3 and 4, and finally 5 and 6 are dismissed.

### **Visitors Policy**

All parents and visitors must enter the School through its front doors, report to the Main Office, identify themselves, sign in, and wear a visitor’s badge while in the building.

Any forgotten items should be dropped off at the Main Office. Please do not deliver them directly to your child’s classroom. Parents are welcome to visit a class in session after making an appointment through the Main Office and with the Principal's approval. Teachers are unable to speak with parents during school hours when they have classroom responsibilities, as their primary obligation is to the children in their classroom and their safety. If you wish to speak with a teacher(s) or the Principal about your child, please send an email/note or call to schedule an appointment. Teachers will return your email/call within 24 hours.

Visits by parents, potential students, and tours are arranged through the Principal or designee. Please contact the Main Office to make an appointment.

## General Parent Information

### Tuition Non-Payment Policy

Families with a single payment delinquency will be notified by FACTS as being past due. The Pastor/Pastoral Administrator, Business Manager/Finance Director, and Principal are also notified of this past due status. Families with balances more than 90 days past due will not be permitted to return to school until the outstanding balance is resolved.

When necessary, the school will pursue every avenue to obtain tuition and before/after-school care payments, including collection agencies and legal options. We encourage you to talk to the Tuition Management Office and/or School Administration at any time if you're experiencing difficulties paying your tuition bill. Your situation will be reviewed with confidentiality and compassion, and a mutually agreeable settlement should be possible.

Continuing Enrollment for the Following School Year-Students with past due balances will not be allowed to begin the next school year until outstanding balance is paid.

### Transfers to Another Catholic School

Students with past due balances will not be accepted at any other Catholic school within the Diocese of Syracuse until the past due amount is resolved.

## School Closings

Our school follows the *West Genesee School District* closing decisions. We will send a text message to our families announcing school closings, delays, and cancellation notices. However, this should not be your sole source of information, as access to our computers may be delayed or disrupted due to weather. We also announce school closings and delays on social media and local TV stations.

Students attending our school often travel several miles, and weather conditions can vary dramatically from location to location. The decision to close or dismiss school early is made with the safety of our students and staff in mind. If school is scheduled to be open and you feel this decision puts

**your child at risk, you may choose to bring your child to school yourself or keep them home for the day. This will be recorded as an unexcused absence. If your child is unable to attend due to your home district being closed and not providing bus transportation, an excused absence will be recorded. You will still need to send in an excuse with your child as normal whenever they are absent from school.**

**Field Trips:** Field trips are an integral part of the learning process and a privilege afforded to students. A student may be denied participation in a field trip if they fail to meet academic or behavior requirements. Permission forms must be submitted for authorization. Parents reserve the right to refuse to allow their child to participate in a field trip.

## **Lunch Procedures**

**Students at Holy Family School have the option to get 1 free lunch each day or to bring their lunch from home. Parents can add money to their child's lunch account and students can purchase extra meals, milk and snacks from their lunch account. Any lunch account owing money will be billed for payment.**

**We have 2 lunch periods. Grades K, 1, 2, and 3 attend the first lunch period, and grades 4, 5, and 6 attend the 2nd lunch period. Students in our Nursery and PreK classes eat their lunch in their classrooms family style. Classroom teaching assistants pick up any lunches ordered from the kitchen, and those who bring their lunch can also order milk from the cafeteria.**

---

## **Transportation**

**Each public school district is required to transport children within local transportation guidelines, typically within a 15-mile radius (as the crow flies). Bus transportation must be requested by parents from their public school district of residence prior to April 1 for the following school year. Bus schedules are published by each school district during August. Parents should contact their public school bus transportation department for any questions concerning bus scheduling. All students riding buses are expected to adhere to the rules of conduct pertaining to buses as published by their home district. Since we are concerned with the safety of all bus children, it's important that students maintain orderly conduct and follow the directions of the bus monitor or driver. Failure to comply may result in removal from the bus and/or termination of service for the disruptive child. Bus disciplinary decisions are made by local school districts. If a bus suspension occurs, parents are responsible for student transportation. Parents should encourage their children to obey the bus driver and rules. A student MUST PRESENT a**

**WRITTEN, DATED** note if they are **NOT** to take the bus home on a certain day, with directions as to how they will get home. The main office will call to confirm these notes.

## **General Policies**

**Attendance:** There is a direct correlation between a student's attendance and academic performance. Pupils are expected to be in attendance every school day. We believe any absence from school is detrimental to a student and strongly discourage it. Children are tardy if they enter the school after 8 a.m. Instances of tardiness and excused absence are part of your child's attendance record.

### **Absences**

- **Weather-related (if school is open)**
- **Late ride**
- **Family vacation (not aligned with school calendar)**
- **Traffic**
- **Non-school trips**

The student/ parent is responsible for contacting teachers to arrange to make up work.

When your child is absent for any reason, please contact the [Main Office or Nurse Ferrara}, providing the date, student's name, grade, and reason for absence. The Main Office will contact parents/guardians who fail to notify the school.

Students should bring a written excuse for any period of absence on the day they return to school. This written excuse should be dated, give the reason for and dates of absence, and be signed by the parent/guardian. Any absence without a written excuse is considered an unexcused absence.

### **Excused Absences:**

- **Sickness**
- **Medical or Dental appointment**
- **Serious family illness**
- **Court**
- **Death of a family member or close friend**
- **Approved school-related program**
- **Religious**
- **Participation in a school-sponsored event**

### **Unexcused Absences:**

- **Oversleeping**
- **Missing the school bus**

## **Vacations**

**Please refrain from scheduling family vacations while school is in session. An interruption in a student's instructional schedule can make it difficult for them to catch up. All vacations that do not follow the school calendar are considered unexcused absences. Your student will be expected to make up any work and tests assigned by the teacher during their absence. If your family will be out of town, necessitating an extended absence, please notify the school at least two weeks prior to the vacation, particularly if you wish assignments to be prepared before your departure.**

## **Participation in After-School Activities**

**A student who is absent or goes home sick from school is not eligible to participate in after-school activities such as practices, special events, concerts, etc., on that day.**

## **Before/After School Care**

**If you are interested in the Holy Family Before School/ After School Care program, please go to our website to the pull down menu at the top of the page. Go to "Programs" and then to Before/After School". Links are available there to register and to find further information on the BASC program, options and rates.**

## **Attendance Interventions**

**The Principal will schedule meetings with the student and parent when attendance interferes with academic progress. Together, the group will formulate an attendance improvement plan. Consequences for unexcused absence/tardiness may result in additional disciplinary sanctions including suspension, probation, dismissal, and exclusion from co-curricular activities. The Principal may request a physician's note for cases of excessive absence.**

## **Tardy Policy**

**We believe that arriving on time creates a respectful learning environment, builds a strong community, and ensures uninterrupted learning for everyone. When students experience late arrival due to home district bus transportation, we understand the impact on their learning and will work collaboratively with them to ensure they have the necessary support to catch up. We value every student's learning time. If a student arrives after the start of the school day, a note from a parent or guardian is required. This helps us partner together to address any challenges that may be impacting their timely arrival. Also, please have late-arriving students stop by the office so we can help them connect with their classroom.**

## **Truancy**

**We value every student's presence in class. When a student is frequently late or absent without communication, it suggests they might need additional support. To better understand their needs and collaborate on solutions, we'll facilitate a conversation involving the student, their family, and school staff.**

---

## **Academic Policy**

**At Holy Family School we are committed to educate the whole child, forming their spiritual, intellectual, physical, social, moral and religious capacities. It's the shaping of the character and values of each child. This holistic approach to education means your child doesn't excel just academically but also becomes a well-rounded individual ready to make a positive difference in the world.**

- **Grading process**

**The grading process for Holy Family School falls into two systems: a standard based approach and a traditional letter grade (percentage) system. Students in our K - 3rd grade level fall under the standards based grading system. The focus is to communicate what a student knows and is able to do based on a specific learning standard, rather than simply assigning a letter grade based on an average of points.**

**Students receive a 1, 2, 3, or 4 for each specific skill or standard. 1 is Needs Improvement/Below Standards, 2 is Progress/Satisfactory, 3 is Meets/Good, and 4 is (Exceeds/Exceptional) scale.**

**Students in grades 4, 5 and 6 are graded on a traditional letter and percentage grading scale. This is often tied to a point system where grades are calculated as a percentage of total points earned on assignments, quizzes and tests.**

### **\*Homework/ Test Policy**

**Homework is important in helping your child achieve academic excellence. It also keeps you informed of what your child is studying. Homework may be assigned Monday through Thursday. Please check your child's planner daily to ensure homework is being completed. Notification of upcoming tests will also be indicated in the planner. Realizing that family time is important, normally no homework will be assigned over weekends and no tests will be given on Mondays. Long-term projects may have a due date on a Monday, so plan accordingly. Homework time varies across grade levels.**

**Suggested Homework Time (Does not include reading time): Kindergarten & Grade 1 .....at least 10-15 minutes**  
**Grades 2 & 3..... at least 20-30 minutes**  
**Grade 4 .....at least 40 minutes**  
**Grades 5 & 6..... at least 50-60 minutes**

- **The purpose of homework is to reinforce and provide drill in subject matter that has been taught. It can be in the form of written assignments, projects review, studying or reading. We encourage all parents to take an interest in what your child is learning. Reading to or listening to your child read each night is strongly encouraged. \*Homework takes precedence over extra curricular activities. \***

### **III. Intellectual Growth and Learning Habits (Personal Development)**

#### **Report Cards**

**Grades K-6 use a quarterly grade marking system. Report cards are one important vehicle of communication between teachers and parents. Please refer to the school calendar and school communications for specific dates. Report cards will be distributed in the following months:**

- **November**
- **February**
- **April**
- **June**

#### **Student Transfer to Other Schools**

**Occasionally, parents/guardians decide to transfer a child to another school for a variety of reasons. When a change of school is anticipated, the following steps should be taken:**

- **The parent/guardian should contact the school administrator regarding the impending change to ensure proper placement in a new setting.**
- **Arrangements to transfer school records should be made with the principal.**
- **All student instructional material should be returned.**
- **Payment of any outstanding financial obligations should be made.**

#### **Transfer of Records**

**Holy Family School maintains confidential, accurate, and current records of the academic achievement, health, and attendance of each enrolled student. Upon leaving Holy Family School, a student's academic records are transferred to the new school upon written request from the parent.**

## Communication/Grievance Process

As a Catholic school community, we recognize parents as the primary educators of their children. Therefore, we value communication as a key to the success of all children entrusted to our care.

Parents/guardians who have questions about their child’s education should begin with individual classrooms or specialized teachers. Parents/guardians wishing to schedule a conference should write a note to the appropriate teacher or call the Main Office during school hours. Spontaneous classroom visits are not allowed.

This communication table serves as a guideline to assist parents and school community members in contacting the appropriate school staff members with questions or concerns. We encourage you to contact the staff member most immediately involved with your question or concern as the first contact. If the issue is not resolved, please progress through the table below.

Questions/Concerns	First Contact	Second Contact	Third Contact
Academics	Teacher	Principal	Pastor or Board President
Athletics/CYO	Coach	Athletic Director / Program Coordinator	Pastor or Board President
Student Behavior	Teacher	Principal & Counselor (if applicable)	Pastor or Board President
Extra-Curricular Activities	Club Advisor	Principal	Pastor or Board President
Financial Aid	Principal	Pastor or Board President	
Medical	School Nurse	Teacher	Principal
Religion	Teacher	Principal	Pastor
Safety	Teacher	Principal	Pastor/Superintendent

Special Education	Teacher	AIS Teacher / Special Ed Teacher or Principal	K-12th Gr. School District of Catholic School Location; Preschool/ Pre-K: School District of Student Residence
Transportation/Bus Behavior	Driver	Principal	Transportation Department of District of Residence
Technology	Teacher	Tech Coordinator (if applicable)	Principal
Tuition Payment	Tuition Management Company	Principal	School Business Manager
Use of Facilities	Parish Office	Principal	Pastor/Board Pres.

If an issue or dispute cannot be resolved after the third contact, a conference will be scheduled with the parent, teacher, Principal, and possibly the student. Parents should contact the Principal to schedule this conference. An additional conference with the Principal can occur after this meeting should further discussion be necessary.

Secondly, if after the second conference with the Principal further discussion is still requested, a conference with the parents, Pastor, and the Principal will occur. Parents should contact the Pastor to schedule this meeting.

**Parent/Teacher Conferences**

Formal Parent/Teacher Conferences will be held at the end of the first marking period. These conferences will be held at appointed times on publicized dates, providing an opportunity for discussion regarding individual students’ academic, social, and religious development. Informal parent/teacher conferences are arranged as individual needs arise. Parents may not confer with a teacher during class hours without an appointment.

Due to the confidential nature of a parent/teacher conference, only the parent(s) or legal guardian(s) may attend. Please try to schedule only one conference rather than separate conferences in situations that apply. The child may also be included in a parent/teacher conference at the discretion of both the parents and the teacher(s).  
In

fairness to all involved, conference appointment times should be strictly adhered to so that all parents may be accommodated.

## **Expectations for Student Success**

We believe that all children are a blessing from God and their dignity should be held in the highest regard, as each person is created in the image of God. Therefore, all students have a right to be an active part of a safe and orderly learning environment.

As a Catholic school, Holy Family School emphasizes whole child development. Spiritual, intellectual, social, and physical growth are fostered. The school staff aims to see all children develop an ever-increasing awareness of their own

self-worth and the worth of others, and a reverence for each person. The school environment attempts to emphasize the need for an increasing sense of responsibility and self-discipline, rather than imposed control, on the part of students. Justice and charity are the two guiding virtues. Discipline is the key to good conduct and proper consideration for other people. Good discipline is maintained by recognizing and praising good behavior and taking corrective action when necessary.

## **Statement on the School's Philosophy about Safe and Ethical Generative AI Use**

**Holy Family School believes in embracing the powerful capabilities of generative artificial intelligence (AI) tools in a manner that is ethical, safe, and aligned with our educational values. Students are expected to recognize that generative AI has the potential to augment human intelligence and creativity in remarkable ways. However, students will learn to understand the risks of**

misuse, including the potential for generating misinformation, violating intellectual property rights, and amplifying societal biases and harms. Students will learn to recognize that generative AI tools like language models and image generators can be powerful aids for learning across all disciplines. However, it's important to use these tools ethically and safely. When using AI, it's important to be mindful that outputs can contain inaccurate information, biases, or inappropriate content. As a result, when using AI all students are responsible to:

- Defer to their classroom teacher's directions about appropriate use of AI.
- Double-check important facts from authoritative sources.
- Never use AI tools to produce hate speech, misinformation, or to violate others' intellectual property rights or privacy.
- Attribute any material (text, images, etc.) derived from AI appropriately.
- Use critical thinking when interacting with AI, and do not blindly trust all information AI generates.
- Not humanize AI by attributing human behaviors or characteristics to it.
- Follow the "Ground Rules for Using AI" document.

Ultimately, students are responsible for the ethical use of these tools and the integrity of your work. Students who violate the acceptable use policy or rules specific to plagiarism will be subject to disciplinary consequences. If you have any concerns, consult a teacher or trusted adult for guidance.

#### Ground Rules for Using AI

1. **Understand AI's Role:** AI is a tool to assist in learning, not a replacement for critical thinking or personal effort. Students should use AI to enhance their learning process and not rely on it to do their work for them.
2. **Respect Academic Integrity:** AI should not be used to cheat, plagiarize, or produce work that students pass off as their own. Students must always give credit when AI assists in generating content or ideas.
3. **Be Transparent:** If students use AI in any part of their schoolwork, they should disclose how they used it. This includes specifying if AI was used for brainstorming, writing, problem-solving, or any other assistance.
4. **Maintain Privacy:** Avoid sharing personal, sensitive, or identifiable information with AI tools, as these tools may not guarantee data privacy.
5. **Verify Information:** AI-generated content should be fact-checked and verified against reliable sources. Students should develop the habit of questioning and validating the information AI provides.
6. **Use Age-Appropriate Tools:** Ensure that the AI tools used are suitable for educational purposes and appropriate for the students' age group. Always follow age restrictions and link your @mtlstudents.net account to AI tools for official school work.
7. **Use AI Ethically:** Know that there are many ethical implications of AI, including biases, limitations, and the overall impact of AI on society. Any issues that you encounter while interacting with an AI tool should be brought to the attention of your teacher, counselor, or unit principal.

8. **Follow School Policies:** Adhere to the Acceptable Use Policy regarding the use of technology and AI in the classroom.
  9. **Follow Classroom Policies:** Each teacher has the freedom to set rules around the use of AI in their classroom. These rules will vary from assignment to assignment and from teacher to teacher. If students are uncertain about how to use AI appropriately or if its use is acceptable, they should ask their teacher for clarification.
  10. **Do Not Humanize:** Remember, AI and Chatbots are not humans; they do not have feelings, consciousness, or desires. Do not attribute human characteristics to AI systems. In addition, avoid emotional attribution and be mindful of the relationships formed with them.

## **Drug and Alcohol Policy**

is committed to maintaining a safe and healthy environment for all students. Students may face expulsion if any of the following conditions exist during school hours or at any school-sponsored event:

- A student sells, gives, or deals drugs or alcohol to other students.
- A student is under the influence of drugs or alcohol.
- A student is detected using drugs or alcohol.
- A student is in possession of drugs or alcohol.

Should any of these infractions occur, parents/guardians will be notified immediately. A conference will be arranged with the student, parent/guardian, and administration. Disciplinary action will be taken, which may include probation, suspension, expulsion, or reporting the activity to the local police department. If necessary, counseling will also be arranged.

Parents or family members who come to school grounds or a school event in possession of, or attempt to sell, or are under the influence of alcohol or drugs will be reported to the local police. Such actions may also result in the revocation of the student(s)' enrollment at the school.

## **Gun-Free School Policy**

Holy Family School as a Catholic school within the Diocese of Syracuse, aligns its policy on firearms with the federal Gun-Free Schools Act of 1994. Any school pupil determined to have brought a weapon to school will be expelled and will not be permitted to attend any diocesan school.

## **Addressing Infractions: Our Approach**

When expectations are not met, it is considered an infraction. The overall goal of working with students and their families when an infraction occurs is to help the student make better choices in the future.

### **Responses to Infractions**

The school employs a range of responses to address infractions, including:

- Redirection by teacher/staff
- Verbal warning
- Written warning
- Communication with parents
- Behavior Plan
- Loss of Privileges (e.g., choice of seating, eating lunch with peers, recess choice, early dismissal, late arrival, student parking, honors pass, free periods, choice of where to move through hallways, cell phone on person)
- After-School Detention
- Suspension
- Written and/or verbal apology
- Redo of assigned work
- Expulsion
- Contacting Law Enforcement

### **Range of School Responses**

The Principal has the right and authority to implement school responses for infractions if they conclude that the student’s behavior is harmful to the good order and discipline of the school and its religious mission. The Principal is the final authority in all disciplinary situations.

### **General Disciplinary Guidelines**

**Pre-K – Grade 12:** The classroom teacher is the primary in-school disciplinarian. They will work directly with the student to reinforce and support expected behaviors. Written communication and/or a telephone call to the home will facilitate communication between the teacher and parents. The teacher will consult with the Principal regarding matters that warrant further attention.

**Grades 3 – 12:** To maintain consistency across all classrooms at this level, the following procedures apply when a student continues to not meet expectations after the teacher has worked with the student and family to improve the situation. Further infractions will result in a referral to the Principal/Assistant Principal, and the following plan of action will be invoked:

- After the third infraction for not meeting the same expectation, a meeting will be scheduled with the Principal, teacher, parents, and student to create an action/behavior plan designed to guide the student toward better choices in the future.

- **All subsequent infractions will be communicated to the Principal, who will address the situation with the parents and assign further responses to the infractions.**

**If a student is unable to transition from externally imposed discipline to self-discipline, the Principal will exercise authority in deciding what is best for all concerned: the school, the student, and the family.**

### **Suspension**

**When a student continuously disregards school expectations, short-term suspension may result. Parents/guardians will be notified of the charged offenses and given the opportunity to meet with the Principal or the Principal's designee regarding the suspension. During a suspension, the student may be in school or out of school during regular hours. If in-school, academic studies will be pursued in a setting isolated from the classroom. All instructional work during the time of suspension must be completed, and all privileges will be lost.**

**Out-of-school suspension will be implemented only after other measures have proven ineffective and further parent/guardian communication has taken place or where the conduct in question is of such a nature that, in the Principal's sole discretion, it is deemed likely that the student's continued attendance constitutes a danger to other student, to others, to school property, or of a disruption of the educational process. In keeping with due process, suspended students will be granted a conference with the Principal, with reasonable notice, at which the student may present his/her response to the charged infractions and/or appropriate penalty. If a marked improvement, specifically a positive behavioral change, fails to occur, expulsion may be imminent.**

### **Expulsion**

**The expulsion of a child from a Catholic school is a serious matter decided by the Principal in consultation with the Catholic School Office.**

**Parents/guardians will be informed of the events leading to the expulsion.**

## **Search and Seizure**

**School authorities may conduct a search of a student's locker, backpacks, bags,**

or personal items only when there is sufficient cause to believe that drugs, alcohol, weapons, or other prohibited materials are hidden. Any search must be conducted in the presence of another staff member.

## **Safe Environment: Our Commitment to a Safe and Respectful School Community**

At Holy Family School the safety and well-being of our students are always our top priority. This means we have clear procedures in place to address any concerns about student safety and respectful interactions.

When there is a basis for a reasonable suspicion that a child has been the victim of child abuse or maltreatment, School personnel will contact the State Central Registry through the Child Abuse Hotline to report the matter and, where there is a basis to suspect that a child is in imminent danger of abuse or maltreatment, they will contact Child Protective Services or call 911 to seek immediate assistance.

When an issue, concern, or incident involves a sexual matter—such as sexual abuse, sexual assault, sexual harassment, or inappropriate sexual comments, texts, or pictures between students, students and staff, or students and visitors—schools are required to contact either the Diocesan Safe Environment Office (SE) or the Catholic Schools Office (CSO) to investigate.

Representatives from the Catholic Schools Office and/or the Diocesan Safe Environment Office will visit the student's school as a team of two. The team meets with individuals involved, as well as any witnesses. This is done prior to notifying families to ensure unbiased responses and because students are typically more forthcoming with information related to this topic with individuals outside their family. Upon completion of any investigation, the team makes recommendations to the school's administration. These recommendations could range from calling 911 and/or CPS to being unfounded with no action recommended.

Families of all students who have been interviewed will be notified by the school's administration immediately following the conclusion of the investigation.

We believe that this process creates and maintains a safe environment where all students can learn and grow. We are committed to open communication and working together with families to ensure the well-being of every child in our care.
